

Wilson Wright HR services – what can we do for you?

Wilson Wright has the skills and expertise to deliver effective, practical, straightforward HR support and services for your business.

We offer access to a trusted professional when you need it. We can be an ongoing support network or we can help you work on a specific problem or one-off issues.

Whether you are a small business taking on your first employee, or a larger company looking to outsource specific projects, we can provide comprehensive Human Resource management guidance.

Our Services Include:

- Full HR audit of processes, procedures and documentation
- Support with employee mediation, disciplinaries, grievances, and general dispute resolution (on-site or virtually)
- Design and implementation of HR Policies aligned to your overall business strategy
- Employee handbooks
- Implementation of performance review processes. Annual Appraisals or continual performance management systems
- Advice on managing poor performance and capability
- Absence management and return to work
- Training and development
- Full employee lifecycle support – new starter to leaver
- HR related GDPR Compliance support
- All aspects of recruitment, including compilation of job descriptions, advertising and shortlisting, structured interviewing and applicant correspondence.
